**AGENDA ITEM WORDING:**

Presentation of selected areas of the GIS based digital aerial photography contracted through FDOT and Woolpert, Inc.

**ITEM BACKGROUND:**

The County signed an inter local agreement with FDOT to complete color digital ortho photography of the entire Florida Keys. Flights to complete the photography were undertaken in February and digital data is being processed currently to create a highly accurate and very detailed photogrametric layer for the County's GIS system. The firm completing the photography for FDOT is Woolpert, Inc. Woolpert will be making a short presentation to demonstrate the accuracy, quality, and future benefits that the photography will provide.
